“ Our family moved to Edmond, Oklahoma in 1984 when our daughter, Ashley was 4 and our son, Joshua was less than a year old. We met Mary and Terry and their children at a start up church in Edmond that became Lord of Life Lutheran. Our children loved the Bassett family, most especially Miss Mary!! We had no family in Edmond, and Mary became a surrogate Grandma to our children - caring for them whenever needed (or just if the kids wanted to spend time with Miss Mary).  
I remember fondly of one particular Sunday. We were not able to attend church because I was recuperating from surgery. Our daughter, Ashley would have nothing of that. She immediately thought of Miss Mary, and asked if we would call her and have her pick Ashley up for church - of course she did.  
I regret, that in our many moves after leaving Edmond in 1987, we lost touch with the Bassett family.  
Our deepest sympathy goes out to Mary's family for the loss of their wife, mother, grandmother and great-grandmother. I can only imagine what a void her passing will be for the family. May God bring you comfort and peace during this time of loss.  
Love and Condolences!

“ My husband, Don, and I were both classmates of Mary and Terry: Sanborn High School, Sanborn, MN, class of 1959. Our friendship continued for several years after that, and we enjoyed card games, dinners together and weekend trips. After they moved to Oklahoma we only saw them again when we stopped in on our way home from a winter stay in Texas, although we kept in touch for many years through Christmas cards and letters.

We have many fond memories of the activities we shared in high school as well as those college and "newlywed" years.

Our sympathy to Terry and your family.

“ I am Fred Johnson, Mary's cousin. Her father Carroll (and Betty) and my father Charles (and Fern) were brothers. Growing up my family travelled to Sanborn, Mn. many times and were always treated with home made pizza and wonderful hospitality. Her dad Carroll took me pheasant hunting on the farms in Iowa many times. My sister is Faye and brother Dennis. We were so sorry to hear of Mary's death. So many times I have thought my wife Bobbi and I should travel from the East coast and go to Edmond and meet Mary and her family. Now, regretfully, it is too late. I am truly sorry we did not get there and that none of us knew how ill she was.

Mary, and her sister were wonderful young women. I went to Mankato with Mary for a couple of years and our paths there would occasionally cross. What a wonderful young lady and meeting up with her was always a special occasion.

Again, kept up with her through Christmas card exchanges but I am so sorry it was not in person. There were five cousins on the Johnson side and now there are four.

God Bless Terry and her entire family.

Fred and Bobbi Johnson.
