“ I knew Roberta for the past few years from playing bridge on Wed afternoons at the senior center. Whoever wrote her obituary did an excellent job of describing her. She had such a wonderful sense of humor and did make me feel very comfortable. I remember two things very well. The first was her grandchildren took her out to dinner on Wed evenings and she really wanted to win that day at bridge so she could tell them. The second was how proud she was of finally not having to participate in the preparation of family get togethers. She had worked for decades at them and by George she retired. She would beam when at Thanksgiving etc she said, "I dont have to do anything.". I am deeply sorry for your loss and will miss her greatly. My prayers are with the family and all her friends. May God be with you during this time.

“ Gene and family,

Roberta is a source of so many fond memories of my childhood. Whenever I was with her, she treated me as one of her own children. From an early age, I learned of her Godly love. I spent many times and their home when my dad was in the hospital in Oklahoma City. I loved being there because I felt the love of God in their home. I know Roberta will be greatly missed by those who love her, but oh how Heaven is rejoicing at her Home Coming!!!

May God bless all of you.
